Lori,

You're a great person and goodluck for the next year in W.H.S. (you need it) I'm glad I'm getting out! Don't be writing anymore dirty poems in church. Stay like you are and keep your personality, if everybody had one like yours, I might not be so happy to leave this place.

Stay Sweet.

Friends always

One's high school days are filled with many memories - memories that by the time you receive this book are already history. As time passes, memories dim and become less vivid in one's mind. The 1977 CHIEF is designed to help us all remember vividly "The Way We Were."

Dedication

Through your many years of service at Waxahachie High School, you have enriched the lives of many of the students. The true test of a teacher is how much your students have retained from your classes months and even years afterwards. With these thoughts in mind, we proudly dedicate the 1977 CHIEF to you, MRS. MARY TOM CAMPBELL.

OUR PLACE IN TIME
by Michael Richardson

Today we are the small,
Tomorrow we'll be the grown,
We have seen a lot already
But there's still a lot to be shown.

Today we will do our experiencing,
Tomorrow we hope to solve,
But there are certain parts of life
We know we can't resolve.

Today we still are searching,
Tomorrow we hope to find,
But we will never find an answer
If we waste our time.

Today we may feel happy,
Tomorrow we may feel sad,
But we can always get together
And make each other glad.

Today we may have worries,
Tomorrow they'll wash away,
But deep inside as you may know
They'll bother you day by day.

Today we may feel wrong,
Tomorrow we may feel right,
But we all have resolutions
We go by day and night.

Today we'll do our giving,
Tomorrow we hope to receive,
But giving you'll wish you never did
If you get deceived.

Today we search our inner souls,
Tomorrow we hope to find,
This is just a little review
Of our place in time.

In Loving Memory

Robert Preston Dulin

(December 12, 1960 — November 24, 1976)

"In one sense there is no death. The life of a soul on earth lasts beyond his departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things he touched, worked with, loved as familiar friends. He lives on in your life and in the lives of all others that knew him."

For the fourth year in a row, the Waxahachie High School girls' volleyball team captured both the zone and district championships. These young ladies had a remarkable season's record of eighteen wins with only six losses. The members of this team certainly have a lot of Indian pride and enthusiasm, and WHS is proud of the record they made. We congratulate Coach Patty McColl and each member of this fine, winning team.

Indians Welcome Several New Coaches to the Tribe . . .

VARSITY TRIBE

1976 brought many new faces to Waxahachie High School. Coach John Goodner came to our campus in the spring of 1976 and began to put together plans for the Indians. Coaches Johnny Cathey and Garey Horner remained with us from last year, and they were joined by a staff of new coaches. The entire coaching staff has gained the admiration and respect of both the Indian team and the student body. We look forward with anticipation to the years ahead with this fine coaching staff as they work together with our teams to build the greatest Indian group ever.

The WHS basketball team proved to be a strong, exciting team who gave us many memorable games. District 6AAA is without question one of the toughest districts in the state. The Indians played the 1976-77 season without losing a single game at home. Our team lost one game during the first half of zone competition, and won the second half. As we prepared for the zone playoff, many people felt that if we could win that one game that we had a good chance of ending the season in Austin for a second consecutive year, but this year, that was not to be. We lost the zone play-off to Ennis, but all of us know that we had a very good year. Our team represented WHS and all Waxahachie with pride and integrity, and all of us are appreciative to the coaches and team for a fun and rewarding season.

Girls' Basketball Off to a Good Start

• • •

Girls' basketball, in its first season at Waxahachie High School, got off to a good start. These girls showed improvement from game to game, and is a team with whom we believe the district will have to contend in seasons to come. The first season of district competition in a sport is never easy, and these girls have worked hard to represent W.H.S. with pride and competence. We are proud of them and look forward to watching them mature into a championship team in seasons to come.

1st Row: Leah Edwards, Kathy Bass, Deide Massey, Debbie Reed, Amy Howard, Renae Williams. 2nd Row: Charell Wright, Christy Davis, Willie Moore, Carol Jones, Lisa Watson, Tammy Rodgers, Candy Jones. 3rd Row: Brenda Christianson, Debbie Meador, Denise Benders, Anita Johnson, Beth Lance, Pam Whitehead, Debra Wright. 4th Row: Marcy Crabtree, Margie Williams, Mary English, Kathy Savelle.

MARCY CRABTREE is a super athlete and a possible all-stater! She has a good attitude and is a team leader.

CHRISTY DAVIS is quick and is a possible starter in 1977.

ANITA JOHNSON is quick and has a lot of potential.

DEIDE MASSEY hustles and is a good ball handler.

Guards

Amy and Marcy watch as Margie goes for the ball.

DEBBIE MEADOR plays super defense and is a good ball handler.

PAM WHITEHEAD has the potential to be great. A good all-round player.

MARGIE WILLIAMS is a super player. She is a good ball handler and plays consistently.

DEBRA WRIGHT missed action because of broken bone in foot. She is a good hustler.

Student Council Has Busy, Productive Year —

The Student Council, under the leadership of sponsors Lucille Smith and Ron Simpson, and President Bill Kelley, has taken a more active and progressive role in student affairs than ever before. They have sponsored dances, the Howdy Queen contest, the homecoming parade, the football hostesses, and all school elections. They have become what a student council should be - a group who represents and works for the student body of WHS.

The 1976-1977 Annual Staff

The 1977 CHIEF is the result of countless hours of planning and work. Working on our high school's annual is a privilege and a lot of fun, but it is also many hours of hard and tedious work. Every single page of the annual begins as an idea in someone's mind and then goes through several corrections on the rough draft before pictures can be made and be put on copy paper. We don't always agree on what these pages should look like, and often compromise must come. The reward for our work is holding the 1977 CHIEF in our hands and having the satisfaction that though we have made errors that we have done our best and have tried to be fair with each individual and group. We have worked together, laughed together, learned together, AND eaten spaghetti together. This has been an experience we shall never forget!

GENERAL STAFF
Ken Burks, Burl Barr, Stuart Dorsey (Chrmn.), Shannon Simpson. SPONSOR: Dr. Ron Hastings.

Although the S.S. is a new club this year, there has been a small but growing interest on campus ever since Dr. Ron Hastings brought the sport of "Wargaming" to WHS about five years ago. The games are usually historic battles recreated in such a way that either side may win. The members say it's like chess, only it's not as limited as chess, there is more than one situation to deal with, and the element of chance is involved. Battles are decided by rolling a die and checking the result on a table of odds. If you're wondering if all this gets complicated, don't worry, it does. The club strongly stresses that these games are nonviolent. The club is open to people of all ages.

Student Life

Even though we have had to attend classes, this year has had many events that have made it enjoyable. There have been both happy and sad moments, and many things have heppened to bring the student body of WHS closer together. We have tried to capture a few of these moments in the following pages.

Leslie cheers the WHS basketball team on to another victory.

The sophomores try to register for their first year as upper classmen at WHS.

Kathy and Carrie work diligently during the mock election.

David takes a moment to pull up his socks during the homecoming parade.

Shannon shows off one of the many pranks he has pulled in Mrs. Cain's room during his off period.

Everyone seems to be enjoying the wait for the pep rally to begin.

Tim tries on the new band uniform for next year.

Gary's donkey doesn't seem to want to have a passenger.

Roger is found loafing in the hall - which is nothing unusual.

Ann sure seems to be happy.

John, it might help if you were on your board instead of just the snow.

Brenda looks quite surprised about having her picture taken.

C.C. and Co. re-enact an old west shoot-out at the Ennis basketball game.

Tammy watches as Lori and Mrs. Ballard burn part of the title page.

Debbie sharpens her pencil for another go at one of Doc's assignments.

Liz, why are you hiding? Could it be you did something you were not supposed to?

Laurie and Kelley are eating, as usual.

Leanne, Leslea, and Angy seem to be having a good time in the gym.

Bill TRIES to pull his donkey during the basketball game.

Phyllis watches while the seniors descend upon the fire engine for the senior class picture.

The basketball players indulge at the party thrown by the cheerleaders.

Larry holds Mrs. Cain while Stuart tries to strangle her.

Kerm seems to be enjoying a tutoring session in Doc's room, but could this be possible?

Bill, Marco, Lori, and Ann seem to enjoy being out of class to have senior honor student pictures taken.

Coach Aldridge uses his bird to demonstrate spirit.

Laurie and Claire try out to fill the place in the majorette line.

The bonfire blazes during the pep rally before the homecoming game.

Donna tries to get out of Rene's way, but it doesn't seem like she is going to make it.

Everyone seems to be enjoying one of the rest periods during pre-school drills.

Why do you look so scared, Becky?

Mr. Keese tries to explain an assignment to Leslie, Bill, Brenda, and Cindy during tutoring.

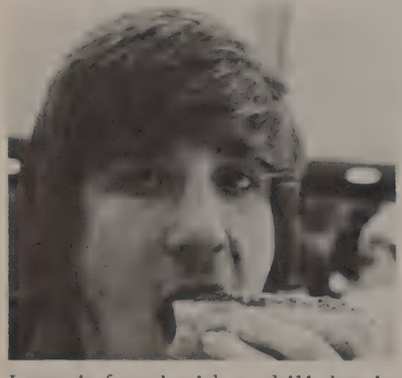

Could this possibly be a Science-Math club Meeting?

John doesn't seem to mind getting a pie in his face at the pep rally.

The senior class gathers to order invitations and caps and gowns.

Larry is found with a chili dog in his hand instead of his camera. He should be ashamed of himself.

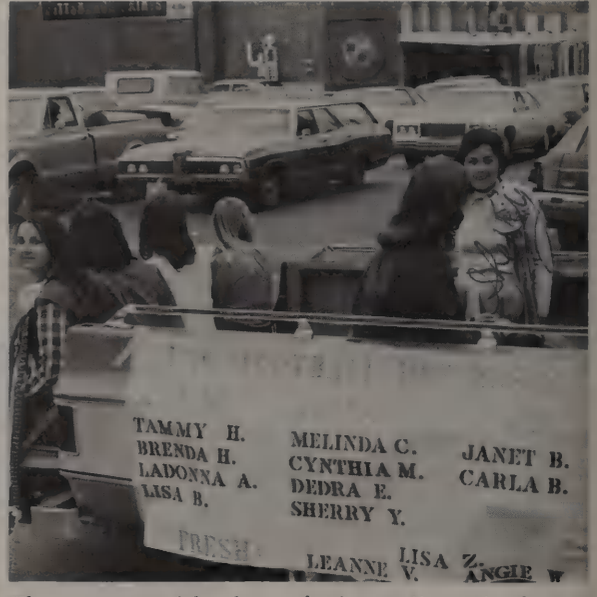

Vicki, Tammy, and Lisa try to do one of their chemistry experiments.

The senior Charmers are recognized before their last home performance.

Everyone seemed to enjoy the sledding at Stuart B. Lumpkins Memorial Stadium.

These pretty girls always had a smile and a happy greeting for everyone at the football game.

Benita smiles for a picture after one of her performances.

The annual staff seems to be soaking in everything Mr. Adams is telling them.

Doc, don't you know that the receiver has to be down for the computer to operate properly?

Mr. Dorsey, it might get done faster if you helped a little instead of making the girls do it all.

Someone sure has Keenon's and David's attention.

Acknowledgment

Every school year is individually unique, and so every year's annual must be the same. The work, fun, and activities that have made up this school year are already memories - memories of the way we were. The staff has tried to preserve these memories for years to come through the 1977 CHIEF.

We acknowledge that no yearbook would be possible without the co-operation of a large number of people. First of all, we express our thanks to the student subscribers and to our generous advertisers who helped to finance our efforts with their advertising.

We express our thanks to our very patient, understanding, and co-operative faculty and administration of Waxahachie High School.

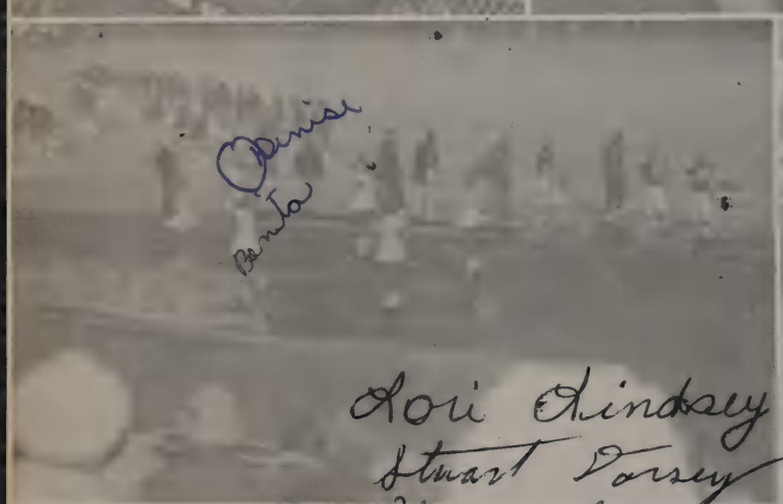

We express our thanks to Mr. H. C. Davis upon whom we depend so much year after year for assistance and encouragement. We also wish to express our thanks to Mr. Roy Wright of The Wright Studio who has given us countless hours in the area of photography to help make this book a reality. We also wish to thank Mr. Tommy Webb for the Freshman and Sophomore pictures for our annual.

Also, for the use of the lyrics we used in the opening section, we wish to express our thanks to:

"The Way We Were"
(From the Columbia Picture, Rastar Production entitled
"The Way We Were")
Music by Marvin Hamlisch
Lyric by Alan and Marilyn Bergman
©Copyright 1973 by Colgems - EMI Music Inc. All rights reserved

Lastly, we wish to express our own appreciation for the privilege of representing WHS as a staff. We have given our best effort to make the 1977 CHIEF an annual of which all students, faculty members, and administration members could be proud. Our desire is that each of you will find recorded in the preceding pages memories which you will cherish forever as you recall "The Way We Were." Happy memories make for a brighter future!

Lori,

Can you believe we're seniors (almost)? I can't. French is almost over! Hurray! Let's be cruel to all — the Poor fish next year! Have fun at the prom & remember Poor little me! Kill Kim Wadsworth with your eyes for me! okay!
Be a good kid (kid?!?) all summer & I'll see ya having fun with — or who knows!?! You're a very sweet & beautiful girl! Stay that way always! See ya this summer!
Friends always, love,
Cindy Carpenter

Lori:

I just can't believe we're gonna be Seniors, just yesterday we were freshman, and we were saying we couldn't wait till we were Seniors, but why did it have to go by so fast. I'm really glad I got you for my friend because you've helped me out so much. I hope that we can always be friends even after we're married. Maybe we can go to the same college or something I can remember all the dumb things we've done, like me getting out of the Fiat at Sonic and you + claire sitting in the car while it rolled out into Ferris. That was funny. And think of all the Dumb things we've done in American History! We're gonna do another dumb thing today in History you no, Try to pass a Test. ~~I hope~~ I guess next year we won't be lucky enough to have English Together, I'll bet Mrs. Smith will be happy She won't have to always be saying Lori; Laurie SHUT UP AND GET TO WORK "Her last words to us will probaly be "I think you 2 need to separte and go to different Colleges." well I guess I'll go cause I want to leave a little room.

Love ya always

I know you and Georgia will not give any trouble at all next year. (ha!) Have fun this summer and be good. I'll come and visit you next year.

Luv ya.
